
Project Report

Jean-François Perrot

Table of Contents

1. Subject description	1
2. Subject analysis	2
2.1. Major features	2
2.2. Application Feasibility	2
2.3. Data description	2
2.4. Expected results	2
2.5. Algorithms study	2
2.6. Scope of the application (limits, evolutions)	2
3. Conception	2
3.1. Chosen algorithm	2
3.2. Data structures	2
3.3. Global application flow	2
3.4. Global schema and major features schema	2
4. GUI description	2
4.1. Welcome page	2
4.2. Page 1	3
4.3. Page 2	3
4.4. Page 3	3
4.5. Page 4	3
5. Configuration instructions	3
6. Commented Screenshots	3
Bibliography	3

The logo for OASIS, featuring the word "OASIS" in a bold, purple, sans-serif font, followed by a stylized icon of a person's head and shoulders in yellow and purple.

The DocBook Schema Version

OASIS Standard

1 November 2009
